

Submitting Your Application ... **"I Applied! Now What?"**

The puzzle pieces of going to college are almost together! Read the following information to learn more about the "Now What?" pieces of paying your application fee, keeping your confirmation page, when to expect schools to contact you, and information on transcripts, test scores, essays, financial aid, and more!

Paying Your Application Fee

When you submit your application online, you may be required to pay an application fee. If so, you can pay your application fee the following ways:

- 1) You can pay via credit or debit card online. Some colleges require a credit card to apply online. Do your research prior to the event to see if the college you want to apply to requires one! If you chose this option, you will need the following information: Credit card type (Visa, MasterCard, etc.), credit card number, security code, name on credit card, date credit card was issued or expiration date.
- 2) You can submit your application online and pay via check in the mail. You will need to include a copy of your Confirmation Page with your check.
- 3) You can choose the fee waiver option on most applications if you qualify. Check with your school counselor about this option. You will need to include a copy of your Confirmation Page with the fee waiver. **DO NOT CHOOSE FEE WAIVER OPTION IF YOU DO NOT QUALIFY.** Ask your counselor for more information.
- 4) You can save your application, print it, and mail it in with your payment.

Follow Up with Transcripts, Test Scores, and Essays

Many admission offices require students to submit additional information in order to complete the application process. It is important to find out what other information is required and send it to the campus ASAP! The more quickly you submit all the necessary forms, the sooner you will receive a response from the admission office.

Don't forget your Confirmation Page ...

Do not leave the computer lab without a hardcopy printout of your Confirmation Page! Look at the next page to see what one looks like. Also, some schools require this page to be signed and mailed to the admission office to complete the application process. Whether the school requires this form or not, you still need a printed copy for your records. Either way, make sure you put this confirmation page in a safe place.

Schools *should* contact you!

Once you have submitted your online application, campuses should be in touch with you via email or letter to inform you of the status of your application. If you have not been contacted by the school within 1-2 weeks of your submission, get in touch with the college or university's admission office to inquire about your application status. You can find the contact information for your particular college or university on CFNC.org.

Now that I applied to college, where can I learn more about paying for college?

- Go to CFNC.org to research financial aid options such as scholarship opportunities, available grants, loans, and incentive programs to help make your college costs affordable.
- Speak with your family and guidance counselor about your financial aid options.
- Mark your calendar for FAFSA DAY on February 13, 2010 at a college, university, or community center near you to learn more about your options.
- Complete and submit the FAFSA as early as possible. The sooner you submit the form, the better chances you have of getting an affordable financial aid package.
- Contact CFNC Resource Center for answers to questions in English or Spanish at 866-866-CFNC or questions@cfncresource.org.
- Be sure to pick up copies of the handouts before leaving the computer lab today.

Congratulations Class of 2010! You are on your way!
