

## Apply Online to College

Apply online to North Carolina colleges and universities. College applications generally require enrollment information, name, address, military history, high school information, education history, family information, and activities. Refer to a college's admissions application for specific requirements.

A **CFNC Account** is required to complete college applications online. Choose **Create My CFNC Account**, located at the top of each page on **CFNC.org** and follow the three easy steps to create an account.

**Please keep your account name and password private.**
