Give the Gift of Education

Thursday, Dec. 17, at 11 a.m. and 6 p.m.

For current and future NC 529 participants

Join Program Services Representative Tia Anderson for a new NC 529 webinar to learn how to give the gift of education this holiday season! The 45-minute session will cover opening an NC 529 Account, enabling an NC 529 Account's unique Gifting link, and entering the Holiday Dream Chaser Sweepstakes. If you recently opened an NC 529 Account or want to learn how to get started, this webinar will help you make the most of saving for the future with the NC 529 Plan! We'll close the session with a live Q&A, including frequently asked questions about NC 529 Gifting and the Holiday Dream Chaser Sweepstakes.
