

Student Transfer Navigator www.cfnc.org/transfervnav

Student Transfer Navigator is a resource for students planning to transfer from community colleges to public and private colleges and universities in North Carolina. Students can view course equivalence and curriculum standards requirements for degrees, send messages to colleges, and create a course.

A **CFNC Account** is required to complete college applications online. Choose **Create My CFNC Account**, located at the top of each page on **CFNC.org** and follow the three easy steps to create an account.

Please keep your account name and password private.
